DELUXE 28 SHO

When 16 inches comes down, the Deluxe doesn't hesitate to send it back up. The 14-inch, all-steel, three-speed impeller throws powder up to 50 feet away at a rate of up to 72 tons of snow/hour. Plus, with its powerful engine and Auto-Turn™ steering technology, you'll feel like you're turning a lap in a finely tuned sports car, rather than clearing a sidewalk.
