PLATINUM 28 SHO RAPIDTRAK

For homeowners looking for a next-level snow clearing experience, the Platinum series is the clear favorite. Combining the highest levels of comfort, convenience, and Super High Output (SHO) capability, Platinum machines are fully loaded with unparalleled power and premium options, defining the leading edge of residential Sno-Thro® performance.

MOVES UP TO **77** TONS HOUR

SPEED AND TRACTION

The Ariens RapidTrak combines track-system stability with the speed of a Professional wheel-drive Sno-Thro.

MAXIMUM MANEUVERABILITY

Adjust on the go and move the back wheel up to turn with the ease of a wheeled Sno-Thro.

UNDISPUTED POWER

The Ariens AX369cc and dual belt drive system deliver maximum torque quickly so you can power through piles of snow.
