

Spectators can sip a cold beverage and enjoy the competition from the fully shaded Viewing Pavilion at Court One. You don't have to be a tennis expert to enjoy a day on the RVR grounds and enjoy watching spirited competition.

RVR hosts a fabulous Player Party, which is open to all players, their guests, and to all RVR homeowners. The Party includes a wonderful buffet, live music, and a free old-fashioned photo booth....plus great tennis with special, featured matches.

Players receive one free Player Party ticket. Additional tickets are available at the tournament: \$20 for adults, \$10 for children age 12 and under, and youngsters under age 5 are free.

The event is held under the direction of Tournament Director, Cristina Sirianni, and Assistant Pro, Scott Garcia who keep everything running smooth as silk.
