

We build strength, stability, self-reliance *and* shelter.

## COVID-19 Update, June 30, 2020

Dear Loveland Habitat for Humanity supporter,

I hope this finds you and your loved ones healthy and safe. Our ReStore has made changes to operations due to staff and volunteer shortages. Please note new operating hours effective immediately:

### New ReStore Hours

- **Shopping Only:** Regular hours are Wednesday thru Saturday from 10am to 4pm (excluding the July 4<sup>th</sup> Holiday, we are closed)
- **Donation drop-offs remains closed at this time** due to staff and volunteer shortages.
- We are still picking up donations but ask for your patience as the truck is very busy catching up with an overflow of requests. You can schedule a pick-up online at <https://www.lovelandhabitat.org/restore/>

Please remember

- Social distancing measures are in place and please limit your party to 2 people per cart.
- Customers are encouraged to wear safety masks.
- The fitting rooms and bathrooms are closed. No returns will be accepted.

We will re-evaluate ReStore operations every two weeks, with the goal of returning to normal operating hours as soon as feasible. We appreciate your patience and support!

### Our Construction site is open and our current schedule is:

- Tuesday and Thursday- 3 volunteers per day
- Friday and Saturday- 10 volunteers per day

Please note: construction work is fast-paced and requires close contact with other Habitat staff and volunteers throughout the day.

- We encourage social distancing so please be mindful of your personal space.
- If you feel sick, do not come to the construction site.
- Masks are required, but we do not have them or any available, so please bring your own mask with you to the Habitat site.

To sign-up, go to [www.lovelandhabitat.org/Volunteer](http://www.lovelandhabitat.org/Volunteer) or contact [chris@lovelandhabitat.org](mailto:chris@lovelandhabitat.org)

We appreciate your patience and understanding as we manage the challenges of COVID-19. Again, please check our website [www.lovelandhabitat.org](http://www.lovelandhabitat.org) for dates and hours. Please stay safe and we appreciate your support of Loveland Habitat for Humanity.

Sincerely,

A handwritten signature in blue ink that reads "Cindi Hammond".

Cindi Hammond  
Executive Director
